

United by their vocation as “brothers and sisters of penance” and motivated by the dynamic power of the Gospel, let them conform their thoughts and deeds to those of Christ by means of that radical interior change which the Gospel calls “conversion.” Human frailty makes it necessary that this conversion be carried out daily. – Article 7 of the Secular Franciscan Order

We Hold God’s Earth

Come explore the richness of Pope Francis’ encyclical *Laudato Si: On Care for Our Common Home*. Through teaching, prayer, and reflection, you will gain a deeper understanding of how we can praise the Lord through our care of “Sister Mother Earth, who sustains us and governs us.” Our facilitator for the day is Sr. Damien Marie Savino, FSE, PhD and Dean of Science and Sustainability at Aquinas College, who will encourage and inspire us.

Non-fraternity members are invited to join us. A continental breakfast and lunch will be provided. We will begin the day with **8:00 am Mass at St. Thomas the Apostle**. For those going directly to FLPC, registration will open at 9:00 am.
